Day Camp Overnight!

Girls going into 4th grade or older are invited to tent camp on Thursday June 29 after day camp until noon on Friday June 30. The cost for the campout is \$5

As part of the overnight girls will cook dinner together, choose some evening activities, and enjoy songs around the campfire before sleeping in tents at Izaak Walton League Campground. This is a great chance to experience a camp overnight for first-timers, or just a fun way to extend day camp for those who are more experienced!
