

Adventures with Insects
Ames/Gilbert Girl Scouts Fall 2009 Outdoor Activity

Date: 10 October 2009

Time: 11:00 to 3:30

Location: Hickory Grove Park (near Colo), Oriole Ridge Lodge

Cost: \$7 for girls & \$ 5 for adults (includes snack and patch)

Registration Deadline: 5 October 2009

Girls can register individually or with their troop

This fall we will not be having our annual fall campout because we were unable to reserve Girl Scout Camp Sacajawea. As an alternate activity, we would like everyone to participate in an afternoon of enlightenment about those misunderstood, multi-legged, little critters that we can't live without... INSECTS.

- The event will begin with a "You Bring It" picnic without ants but with lots of ant trivia.

- Girls will rotate through various stations where they will learn some wonderful things about insects.

- We will have the ISU insect zoo, as well as microscopes set up for those of you that really want to get up close and personal with our 6 legged friends.

- There will be games, crafts and an opportunity to decorate some cookies shaped like, you guessed it, BUGS!

We will have **NO EDIBLE INSECTS**-you have to go to the ISU entomology club activities for those.

We really want this to be fun learning experience that will help everyone gain some appreciation of how important insects are in our lives.

The program is designed for Daises, Brownies and Junior Girl Scouts, but we encourage older girls to come out and meet with our entomology staff, help if they would like to, and learn about collecting, identifying and studying insects.
