

Make a Quilt for Girl Scout Week!

Ames / Gilbert Girl Scout Troops are making fleece quilts for Project Linus, March 12th in the Ames Public Library.

The public will be invited to help - this is a great opportunity to show our presence, encourage new adults and girls to join, and to make something worthwhile.

All materials and tools will be provided.

Sign up for one or more hour time slots between 9:30 am to 3:30 pm

Have girls wear vests or sashes. Also, feel free to bring posters or displays of what your troop has been doing!
