

AMES-GILBERT TROOP COOKIE PICK-UP SCHEDULE - 2004

Please review the following pickup schedule for Girl Scout cookies. The cookie warehouse will be open from 6:00PM to about 8PM each evening from March 8 - 11 for cookie distribution.

Your troop has been assigned a day and time for your pickup. This schedule was generated considering the conflicts that were sent to me via email. Please plan to arrive at the date and time indicated to pick up your Troop's cookies. I recommend that you bring your T1 form to compare against the cookie totals.

Remember that you can not leave the warehouse until you sign a receipt confirming the number of cookies that you pick up.
